

Carriage, Cadaver cover and Easy scoop

CARRIAGE for dead animals.

Carriage designed for transport of dead pigs.

With this carriage one can easily pull the pig up and transport it out of the pig-gery. Quickly, efficiently and without overloading your back.

The carriage is made in 2 versions.

- 2 wheels for finisher and small sows.
- 3 wheels for big sows and finishers.

Carriage with 2 wheels

Carriage with 3 wheels

CADAVER COVER

Green PE / Polyester tarpaulin for covering dead pigs. Mounted with stainless handle for easy handling.

There is a galvanized iron chain in the drawstring hem along the edge, so that the cover stays on the ground.

EASY SCOOP. Removal of food and water in the troughs.
